Well, she's got dream dreams like he's got things
That'll open up her sky so she can use her wings to fly
away

Well, she's got dream dreams like he's got things
That'll open up her sky so she can use her wings to fly
away

She looks out her window watching people as they pass
on by
Some of them want to come inside
Man oh man, I won, I won, I wonder which one will she
trust
'Cause some men only lust

And she wants a man who can understand what a
woman wants
And if he can appreciate her and not deface her
And she wants a king with a diamond ring
Not some prince who's gonna steal everything that he
gave her

Yeah, she's gotta fly away I watch her walk next to you
(Uh 1 2, uh 1 2, uh 1 2)
But soon she's gotta get away, I hope her dreams do
come true
(Oh that's true, oh that's true, oh that's true)
'Cause she is a butterfly spreadin' her, spreadin', her
spreadin'
Her spreadin', her spreadin', her wings
(She's beautiful, she's beautiful, she's beautiful)

But her heart is a kingdom without a king
And without him she can't sing
So she waits on a watchtower
Hoping, praying, waiting for his arrival
(And all the people in the world say)

Yeah, she's gotta fly away I watch her walk next to you
(Uh 1 2, uh 1 2, uh 1 2)
But soon she's gotta get away, I hope her dreams do
come true
(Oh that's true, oh that's true, oh that's true)

'Cause she is a butterfly spreadin' her, spreadin', her
spreadin'
Her spreadin', her spreadin', her wings
(She's beautiful, she's beautiful, she's beautiful)

And she wants a family
(Family)
She wants a lover
(Lover)
A best friend closer than any other
A man that's true she wants a man who

Can hear God's voice and know what he is called to do
She wants a hard worker not some lazy bum
But a man who knows how to get the job done
She wants a family to be a mother and raise a child that
came from her

Yeah, she's gotta fly away I watch her walk next to you
(Uh 1 2, uh 1 2, uh 1 2)
But soon she's gotta get away, I hope her dreams do
come true
(Oh that's true, oh that's true, oh that's true)
'Cause she is a butterfly spreadin' her, spreadin', her
spreadin'
Her spreadin', her spreadin', her wings
(She's beautiful, she's beautiful, she's beautiful)

Well she's got dream dreams like he's got things
That'll open up her sky so she can use her wings to to
to fly away
Well she's got dream dreams like he's got things
That'll open up her sky so she can use her wings to to
to fly away

She's got to fly away
(Fly away)
She's got to find her way
She's got to fly away

'Cause she's got dream dreams like he's got things
That'll open up her sky so she can use her wings to to
to fly away
