Feat. Zucchero

This ain't the way, I spend my mornings baby  
Come stai?  
You been with him, and now you come back lady  
Hey, what's he like?

I just sit, and watch the ocean  
With myself, even doing my own cookin'  
You can laugh, you're forgiven, but  
I'm no longer frightened, to be livin'

Senza una donna, no more pain and no sorrow  
Without a woman, I'll make it through tomorrow  
Senza una donna, givin' me torture and bliss  
Without a woman, better like this

There is no way, that you can buy me baby  
Don't make fun  
You got to dig a little deeper lady (in the heart?)  
Yeah, if you have one

Here's my heart, feel the power  
Look at me, I'm a flower  
You can laugh, you're forgiven, but  
I'm no longer frightened to be livin'

Senza una donna, no more pain and no sorrow  
Without a woman, I'll make it through tomorrow  
Senza una donna, givin' me torture and bliss

Ooh I stay here, and watch the ocean  
Don't know why, I keep on talkin'  
You may laugh, you're forgiven, but  
I'm no longer frightened (maybe), to be livin'

Senza una donna, no more pain and no sorrow  
Without a woman, I'll make it through tomorrow  
Senza una donna, givin' me torture and bliss  
Without a woman, vieni qui! come on in  
Senza una donna, I don't know what might follow

Senza una donna, oh, maybe from tomorrow!  
Senza una donna, givin' me torture and bliss
