Father in heaven, forgive me for sinning
I know I need a new beginning.

Father in heaven, forgive me for sinning
I know I need a new beginning my world is spinning.

From sunrise to sunset help me not forget
all that you've done for me.

From sunset to sunrise help me keep my eyes
upon Your glory.

Say ah yea (ah yea)
say alright (alright)
every sunset (sunset)
every sunrise (sunrise).

Oh I need ya, oh I need ya right now.
You came down from heaven above to
show me Your way, Your way is to love
so help me love love and not judge or hold a grudge
