Verse:

Forgive me for the words I spoke,
Before they ever left my throat,
My heart would rather rebel than obey.

Forgive me for this life of sin, I know
I need a new beginning, Lord I've gone astray.

Chorus:

Take this life make it yours
Do what's right oh Lord.
You got to take this, take this life...
You got to make it, make it right...

Verse

Take my flesh take my pride take the sins I try
To hide take my doubts take my fears
All the pain and all the tears and I fall down on my
knees
Lord I'm begging ya please Lord
Take the shame take the blame it's all the same...

Take this life
Make it right
Take this life
I don't want to live a life that's compromising to the
King
I'd rather live for you than live for me or anything
Take this life (and all my hidden sins)
Do what's right (and everything within) oh Lord
You got take this take this life
You got make it right
