As I walk this land of broken dreams  
I have visions of many things  
Happiness is just an illusion  
Filled with sadness and confusion

[CHORUS]

What becomes of the brokenhearted  
Who had love that's now departed  
I know I've got to find  
Some kind of peace of mind  
Help me please

The roots of love grow all around  
But for me they come tumbling down  
Everyday heartaches grow a little stronger  
I can't stand this pain much longer

I walk in shadows searching for light  
Going it alone, no comfort in sight  
Hoping and praying for someone who cares  
Always moving but going nowhere

[Repeat CHORUS]

I'm searching though I don't succeed, no  
For someone's love there's a growing need  
All is lost there's no place for beginning  
All that's left is an unhappy ending

What becomes of the brokenhearted  
Who had love that's now departed  
I know I've got to find  
Some kind of peace of mind

I'll be searching everywhere  
Just to find someone who cares  
I'll be looking every day,  
I know I'm gonna find a way  
Nothing's gonna stop me now  
I'll find a way somehow  
Woo, hoo

I'll find a way somehow

What you've got to know is  
What becomes of the brokenhearted  
I'm gonna do, I'm gonna do the best I can, girl  
Woooo hoo  
I've gotta, gotta find her  
Mmm mmm mmm, gotta find a way somehow, sugar  
(What becomes of the brokenhearted)  
I need love, baby  
(Who had love that's now departed)  
I need ya, darling, oohh whoa, yeah  
I've gotta find a woman who is gonna love me, love me
