Verse 1

I'm tired of falling on my face Lord
Get up tell myself (woah woah)
I'm tired of singing the same songs
Na na na na (ha! woah woah)

I'm so high, I'm so low
I'm so hot, I'm so cold
I'm so young but I'm feeling so old
I'm at peace, I'm at war
I want less, I want more
I want it all but I don't know what it's for

Pre-Chorus

And all that I am is all that you see
When nobody is looking at me
I fall to my knees you're calling my name

Chorus

And you love me just the same (Whoa)
Cuz your love it never changes (No)
Yea you love me just the same (Whoa)
Cuz your love it never changes (No)

Verse 2

I'm back on the right track again (You know I'm back)
I'm back hanging with the right friends (You know I'm
back)
I'm back on my feet again
Kicking back (ha) just laughing

I'm so high, I'm so low
I'm so hot, I'm so cold
I'm so young but I'm feeling so old
I'm at peace, I'm at war
I want less, I want more
I want it all but I don't know what it's for

Pre-Chorus

Chorus

Bridge

Yea you love me just the same (come let's kick it kick it
want to live it live it)

Yesterday today tomorrow everyday (loves the ticket so
you gotta love it love it)

Yea you love me just the same (come let's kick it kick it
want to live it live it)

Yesterday today tomorrow everyday (love the ticket so
you gotta love it love it)

Chorus

Bridge
