I put my hand upon the bible
Put my hand upon the bible
Drank wine from the well
I drank wine from the well

I dreamt about Gethsemane
Dreamt about Gethsemane
Where Jesus hung his head and prayed
He hung his head and he prayed
Dear god I am so sorrowful
Is there no other way?

I put my hand upon the bible
Put my hand upon the bible
I tried to believe
Oh I tried to believe

The olive tree bent over him
The olive tree bent over him
And all I could say is
What have you done for me?
Dear god if it is possible
Let this love pass by me

Guilty hand upon the bible
Guilty hand upon the bible
I remembered where I came from
I remembered where I came from

When I blew the roof off the church
I blew the roof off the church
I was screaming out my demons
I was screaming out my demons
Dear god please forgive me
It's the only way I know to be
Dear god please forgive me
It's the only way I know to be
