(elliot wolff / stacy piersa)

Something sweet fills my soul with wonder  
Tender arms wrap me in my slumber  
Cherished thoughts keep our hearts together  
Safe and warm, nothing could be better

I will be there whenever you call me  
Didn't I say I love you  
I will be there to keep your tears from falling  
Didn't I say I do

Just a breath passing from your two lips  
And I forget everything, I lose it  
Just a look makes me feel the madness  
In my world no one else will have it

Chorus

Time may change some things  
But you and me will always last forever  
Dreams may come and go but we, we know  
Will always be together

(didn't I say I love you, boy)  
Chorus

I will be there no matter what the reason  
Didn't I say I love you  
I will be there and I will never leave you  
Didn't I say I do
