Paul Young - Don't let me lose this dream

If I lose this dream  
I don't know what I'm gonna do  
If I lose this dream  
I'm dreaming about for me and you  
If it goes away I might as well hung it up  
'Cause I don't know  
If I had the heart or mind to help it grow  
To make it true  
I only know I only know I only know  
If I lose this dream  
It's good that love and happiness  
You are the one I need  
I don't want love love that's second best  
Everything in all my life  
I owe it to the lady  
Who helped me hold on to this dream  
'Cause sometimes dreams often come true  
Don't let me lose this dream  
Baby baby hold on  
Don't let me lose this dream  
Baby baby be strong  
I see there  
You believe that what I see is true  
I'm the one and only guy for you  
So tell me babe no matter what the people say  
You are in my corner all the way  
Oh I won't lose this dream  
Baby baby hold on  
Don't let me lose this dream  
Baby baby be strong  
If it goes away I might as well hung it up  
'Cause I don't know  
If I had the heart or mind to help it grow  
To make it true  
I only know I only know I only know
