Hey, if we can solve any problem  
Why do we lose so many tears  
Oh, so you go again  
When the leading man appears

Always the same thing  
Can't you see  
We've got everything goin' on and on and on?

Every time you go away  
You take a piece of me with you  
Every time you go away  
You take a piece of me with you

Go on and go free, yeah  
Maybe you're too close to see  
I can feel your body move  
It doesn't mean that much to me

I can't go on sayin' the same thing  
Just can't you see  
We've got everything, do you even know we know?

Every time you go away  
You take a piece of me with you, oh  
Every time you go away  
You take a piece of me with you

I can't go on sayin' the same thing  
'Cause baby, can't you see  
We've got everything goin' on and on and on?

Every time you go away  
You take a piece of me with you  
Every time you go away  
You take a piece of me with you

Every time you go away  
You take a piece of me with you  
Every time you go away  
You take a piece of me with you

Every time you go away  
You take a piece of me with you  
Every time you go away  
You take a piece of me with you
