Paul Young - If you don't want my love

I have given you time for spending my hours
The fine things I bought for you
The many things I've done for you
But now you said we are through
I've given you lines explaining the weather
Many things I turned your way
I taught you all the things to say
But now now you said we are through
If you don't want my love
I have given you love the days we were sharing
You were always on my mind
Please don't leave me far behind
But now now you said we are through
If you don't want my love
