Paul Young - Love is like an itching in my heart

Get up in the morning and I'm filling with desire
Oh no I can't stop the fire
Love is a real live wire
It's a burning sensation
Love with all imagination
Love is like an itching in my heart
Baby, I can't scratch it
Keeps me sighing
Keeps me yearning
I can't help it man
I can't help it man
I've been bitten by the love bug
Need some information
To help me out of the situation
Now I'm ill you take a pill
And when your thirsty drink a fill
What you gonna do oh yeah
When love get's a hold a hold on you
'Cause love is like an itching in my heart
Baby, I can't scratch it
Love is a nagging irritation
Causing my heart complication
Love is growing infection
I don't know in what direction
It's got me rockin and reelin
And I can't shake the feeling
Love is like an itching in my heart
Tearing all apart just an itching in my heart
Baby I can't scratch it
Keeps me sighing
Keeps me yearning
Keeps me burning
Keeps me tossing
Keeps me turning
Kiss me yearning
I've been bitten by the love bug
Yeah need some information
To help me out of the situation
Love is like an irritation

Causing my heart complication
I've been bitten by the love bug
And I need some information
Love is like an itching in my heart
Baby, I can't scratch it
Help me baby, somebody help me now
