Paul Young - More love

Let it be soon don't hesitate
Make it now don't wait
Open your heart and let my love come in
I want the moment to start when I can
Feel you heart beat
This is no fiction
This is no act
This is real
It's fact
I'll always belong only to you
Each day I'm reliving to
Make sure I'm giving you
More love and more joy
Than age or time could ever destroy
My love is so sound
It'll take a hundred life time to live it down
Wear it down, tear it down
As we grow older
No need to fear it
Baby I'll be here
I'll be inside you every step of the way
Our heart is truthful and keeping you youthful
More love and more joy
Than age or time could ever destroy
My love is so sound
It'll take a hundred life time to live it down
Wear it down, tear it down
