MC Skat Kat: Well You've never seen a kat with so much
charisma
Got More Moves than a mutant nina- turtle that is
And I'm doing the Skat Strut
To hell with John Travolta and the Disco Duck

They call me Skat Kat, the dance floor maniac
One more of my hip is like an afro-disiac
Swinging and winging I'm just doing my own thing
Girls don't jump me
Give me room to be funky

Step to the dance floor bust a little spin
(I thought I saw a putty kat, I did)
SHUT UP KID!!
This is a new dance so shake your butt
And get a load of what it's like to be doing Skat Strut

Now Jack was nimble and Jack was quick
But it was Skat Kat that made Jack trip
I burned him on the butt with a flick of my bic
And then I cold ran away with the candle stick
I've got all the right moves
Ladies think I'm Loveable

Love to wine and dine sippin' on bubble
But most of all, I like dancing y'all
And doing my Skat Strut from wall to wall
It's as simple as it gets, just stick out your neck

Lift up your leg and step to the left
Now shake a little as you groove to the beat
--Bend over, shake your big booty

And if you get dizzy from shaking your butt
You must have shook the wrong end cuz you ain't
doing
The Skat Strut (I though I saw a putty kat- I did, I did)

As we go a little something like this-- Hit it!!

Without a question, it's the strut to fame
I can see myself now on the aisles of "Soul Train"
People want to know if it's meant to be silly
I say only when it's done by Milli and Vanilli

The dance is mine a generation of felines
Mastered this step back in '69
Return of the Skat Strut a brand new dance

(I thought I) could but you can't-- BUST IT

Homeboy Fatz, Why don't you step up to the
microphone
And give them a little taste of
Your beat box boy---

FATZ: Hey man, I've told you
I don't like nobody telling me what to do
Now I'm a beat-box, but I'm a do-it-my-way
Anybody got something to say?

MC Skat Kat: For those who don't know me,
My name is Skat
I'm the kat who did the rap in "Opposites Attract"
Me and Paula did a duo and then I went solo
To grab the microphone and make the ladies go
HO!

And now that I've got you at my command
Its my sole opportunity to make you dance
I want all four paws on the dance floor
Do that strut until your legs get sore
Come on! Come on! Come on!
