Some people, they know how to play the game of love
Some people, know just who to pray to up above
Hey, I know where I'm going, I'm taking it straight to the
top
I know where I'm going, I don't see a reason to stop

You took my hand, put me back where I started
Showed me the way, showed me the way
Oh, take my hand
You took my hand, put me back where I started
Givin' me direction

Some people seem to get the best of life really easy
And some people seem to be put on this earth to
please me
I know that I'm lucky what you give me I'll send right
back
Hey, I know I'm so lucky and this won't be a tough one
to crack

You took my hand, put me back where I started
Showed me the way, showed me the way
Oh, you took my hand
You took my hand, put me back where I started
(This is where I started)
Givin' me direction

Some of us were living in perplexion
While others seemed to go sailing through
Some of us were getting no direction
Some of us could only think of you

Oh
Play
Oh

Some people can give every piece of their heart to
another
Some people are just as happy when they're left on
their own
I know what I have now the grass isn't greener over
there

I know what I have now and it's something that I want to
share

You took my hand, put me back where I started
Oh yea, help me
Showed me the way, showed me the way
Oh, you took my hand

You took my hand, put me back where I started
Givin' me direction
Showed me the way, showed me the way
There's a little piece of pepper

You took my hand, put me back where I started
(Where I started)
Givin' me direction
