There's a lady who's sure
All that glitters is gold
And she's buying a stairway to heaven.
When she gets there she knows
If the stores are all closed
With a word she can get what she came for.
There's a sign on the wall
But she wants to be sure
'cause you know sometimes words have two meanings.
In a tree by the brook
There's a songbird who sings,
Sometimes all of our thoughts are misgiven.
There's a feeling i get
When i look to the west,
And my spirit is crying for leaving.
In my thoughts i have seen
Rings of smoke through the trees,
And the voices of those who standing looking.
And it's whispered that soon, if we all call the tune
Then the piper will lead us to reason.
And a new day will dawn
For those who stand long
And the forests will echo with laughter.
If there's a bustle in your hedgerow, don't be alarmed
now,
It's just a spring clean for the may queen.
Yes, there are two paths you can go by
But in the long run
There's still time to change the road you're on.
Your head is humming and it won't go
In case you don't know,
The piper's calling you to join him,
Dear lady, can you hear the wind blow,
And did you know

Your stairway lies on the whispering wind.
And as we wind on down the road
Our shadows taller than our soul.
There walks a lady we all know
Who shines white light and wants to show
How ev'rything still turns to gold.
And if you listen very hard
The tune will come to you at last.
When all are one and one is all
To be a rock and not to roll.
