O babe, you left me standing in the rain,
when you were sitting down to dinner,
you left me standing in the rain.
O babe, you left me getting cold and wet.
When you were looking at the menu,
you left me getting cold and wet.
O babe, the rain was leaking through my shoes,
while he was getting close and movin' up to you.
the rain was leaking through my shoes.
O babe, o babe, o babe, you left me standing in the
rain.
O babe, you left me standing in the rain,
while you were getting in a taxi,
and left me standing in the rain.
O babe, when I was wet right to the bones
you were deciding that you wouldn't going home
and I was wet right to the bones.
O babe, and then my face was turning blue,
and you were loving him and he was loving you,
and I was coming down with a heavy souls of blue
o babe, o babe, babe, you left me standing in the rain.
o babe, o babe, babe, you left me standing in the rain.
