Eagle's calling
And he's calling your name
Tides are turning
Bringing winds of change
Why do I feel this way
The promise of a new day

Chorus:
The promise
The promise of a new day
As thru time
The earth moves
Under my feet
One step closer
To make love complete
What has the final say
The promise of a new day

Chorus x2

And so time over time
What will change the world
No one knows
So the only promise
Is a day to live, to give
And share with one another
See the wisdom from mistakes in our past
Hear the younger generation ask
Why do I feel this way
The promise of a new day

Chorus x2

And so time over time
What will change the world
No one knows
So the only promise
Is a day to live, to give
And share with one another

(Repeat song)
