Woh, woh, eh
Oh oh
It's stronger than emotion
Woh
Than anything I've known
And it walks upon the water
The seeds of love are sown yeah
oh, oh
The wind may be against us, woh
But I'm pushing all the way
We get a little closer
Every single day
Together, we can hold our own Forever, yeah
We should always be together
we can hold our own forever, yeah
We'll be together
Seremos muito mas fortes (uh, hu)
cantando juntos na vida
uoh I've spoken million phrases
uoh Trying to be heard
And now so many feelings
Are spoken in one world
Together, we can hold our own
Forever yeah, we should always be
Together, we can hold our own
Forever yeah, we'll be together
mmh, mhh
Just together
such a magic word
Seremos muito mas fortes
cantando juntos na vida (hum)
Oh, oh, oooh Together
We can hold our own forever
Oh we should always be together
(together) yeah
We can hold our own forever yeah
Oh, oh together
Oh we can hold our own together (forever)
We'll be together
Oh we can hold our own forever,
Forever (yeah, yeah)
Seremos muito mas fortes

cantamos juntos na vida
Seremos muito mas fortes
(oh, oh together)
Can't you see ooh, ooh
Everyone can help now
(Seremos muito mas fortes, hey)
They should been making plans together
(Seremos muito mas fortes, hey)
hey and don't ever be on your own
Seremos muito mas fortes
(cantando juntos na vida)
Just turn around
There's are friends around (ah)
Who's gonna help you
(cantamos juntos na vida)
(Seremos muito mas fortes)
I've got this feeling
Say, say got to get, to get, to get
People got to get together now
(Seremos muito mas fortes)
Now, just hold our shoulders
We'll be together ooh, ooh, ooh
(cantamos juntos na vida)
(Seremos muito mas fortes)
Owh, got to be together
(Seremos muito mas fortes)
dreams should been making plans
And together yeah
We got holding hands together
