"Yesterday's Hero"

Visit "[Yesterday's Hero](#)" on MotoLyrics.com

Hear is the news;
Thousands of historical teenagers gathered at the city
Airport this morning to welcome the
The one and only man of the moment.....
When I walk down the street,
See the people who stop and stare and say
Haven't I seen that face somewhere a long time ago?
When I walk down the street
See the stranger who says Why hi! with a how ya goin'
buddy
When you walked on by, I thought I'd say hello-o
They say haven't I seen your face before
Weren't you the boy that used to live next door
Weren't you on television every night
Haven't I seen you 'round?
Take a look at me, I'm yesterday's hero
Yesterday's hero, that's all I'll be-ee-ee-ee-ee-ee-ee
Take a look at me, I'm yesterday's hero
Yesterday's hero, is all that I'm gonna be if I don't
get together
Make a new start and be somebody better
All that I'll be if I don't get together now
When you walk down the street
If you know me then pass me by, if you wonder what I'm
doin'
Don't ask me why, I don't read the news
When you walk down the street
If you're sorry then don't feel bad
If you followed my story then just be glad you ain't in
my shoes
Because haven't you seen my face before
Yes I was the boy who used to live next door
Yes I was on television every night
Haven't you seen me 'round

Take a look at me, I'm yesterday's hero
Yesterday's hero, that's all I'd be-ee-ee-ee-ee-ee-ee
Take a look at me, I'm yesterday's hero
And yesterday's hero is all that I'm gonna be if I
don't get together
Make a new start and be somebody better
All that I'll be if I don't get together now
ooo-oh!
Hear is the news;
Police spokesmens said today that management.....
...during his concert said he suffered a
collapse.....
...hospital was besiged by hundreds.....
...the all time greatest here is is
nt.....
Yesterday's Hero
Yesterday's Hero
oh oh oh oh
Yesterday's Hero
Yesterday's Hero
ho oh oh oh hey, hey
Yesterday's Hero
Take a look at yesterday's newspaper
Yesterday's Hero
huuh oh oh oh, hey hey
Yesterday's Hero
..fade...
