So I have no intentions
To get this right when you
Just want, just want attention
We'll fuss and fight
And that's the way it goes, and that's the way it goes
And that's the way it goes, and that's the way it goes

But in the night,
When you're down and falling
I know that I'll
Be the one your callin but

You'll be fine,
You'll be just as fine,
As you were the last time
When you crossed the line and
I'll forget o yes I'll forget
Cause these little things in life
They keep me moving forward

So I have no intentions,
If you're gonna leave then just leave
Cause I'll be better off oh,
I'll be better off

Because in the night,
When you're down and fallin
I know that I'll
Be the one your callin but

You'll be fine,
You'll be just as fine
As you were the last time
When you crossed the line and
I'll forget o yes I'll forget
Cause these little things in life
They keep me moving forward

La da da dada da da
La da da dada da da
La da da dada da da
O ah O ah

You'll be fine,
You'll be just as fine
As you were the last time
When you crossed the line and
I'll forget o yes I'll forget
Cause these little things in life
They keep me moving forward
