No turning back
Not when we've come this far
Forget the past
Reach for the stars
Heaven knows we tried
Out on the weirs the world flies
All our hard times
Was it all vain

Or will we go that X-tra mile
We won't surrender now
You gotta go that X-tra mile
It's hard to face up
To the world outside
When you're locked inside

Heaven we learn
It hurts when our children cry
It's time that we turn
Posing the question why
Underpath of life
So many roads to follow
Yes it may be hard
But it's never in vain

If we go that X-tra mile
Never surrender no
We gotta go that X-tra mile
It's hard to hold on
To a dream that's dying
We gotta be strong and keep on trying
The X-tra mile
The X-tra mile...

If we go that X-tra mile
We won't surrender now
Gotta go that X-tra mile
It's hard to hold on
To a dream that's dying
We gotta be strong and keep on trying
The X-tra mile
The X-tra mile...
