You are, holding me together with hands that hold
forever
God You are strong
And when the storm around me rages Your love never
changes
God You are strong
And You are with me Lord, Always with me Lord

Chorus:

When the waters rise around me I am safe
In the valley Lord, You are near always
You have me surrounded by your grace
When my strength is gone, I wont be afraid
You are with me always

My refuge, when the walls have fallen
You are near the broken
God You are strong
For You make beauty from the ashes
With love that never ceases
God You are strong

Chorus

When the waters rise around me I am safe
In the valley Lord, You are near always
You have me surrounded by your grace
When my strength is gone, I wont be afraid
You are with me always

When there seems no way, You are here with me
And this life brings pain, You are here with me
I wont be afraid, You are here with me
You are all I need and You are here with me

Chorus

When the waters rise around me I am safe
In the valley Lord, You are near always
You have me surrounded by your grace
When my strength is gone, I wont be afraid

You are with me always

Chorus

When the waters rise around me I am safe
In the valley Lord, You are near always
You have me surrounded by your grace
When my strength is gone, I wont be afraid
You are with me always
When my strength is gone, I wont be afraid
When my strength is gone, I wont be afraid
You are with me always
