? ? ? liar

(I can see, I can see, I can see, I can see)

? ? ? ? ah come on, let's go

(I can see, I can see, I can see, I can see)

? ?

(I can see, I can see, I can see, I can see)

When you lay that down with an eight-eight track,
everybody laughs

But they don't know what you're sayin'

Keep it under
