Mark: I want to say:

SM: It's my second hand wonder,
a thing that recovers the doubt

Spiral: Slim door,

Mark: Like a rainstorm, you've got to do
what you want and say it

SM: It's of my design assembled at the cut

Spiral: Slim door,

SM: It's all right to shake, to fight, to feel

Mark: You go down, down, down, down

Spiral: Slim door,

SM: It's all right to shake, to fight, to feel

Mark: You go down, down, down, down

SM: Harness your hopes to the folks

with the liquor with the ropes,

Red, red ropes, periscopes

They've got everything you will ever need
stored under the chair

Simmer, simmer, simmer down

Simmer, simmer, simmer down

Don't waste your precious breath
explaining that you are worthwhile

Simmer, simmer, simmer down

Simmer, simmer, simmer down

Be patient and I'll let you see my

Carrot rope, feed my thrill,

I got beat by weather

Carrot rope, feed my thrill,

I got beat by weather

Carrot rope, feed my thrill,

It's time to get me off of the grounds,

The wicket keeper is down

SM: Hey little boy, would you like to know

what's in my pocket or not

It's no ploy, it's no gimmick,

It's the chance of a lifetime to see

something that's never seen by mere mortals

Spiral: Except me

Mark: And myself

SM: And sweet I, so what do you say?
Would you like to play 20 questions with me?
SM: A little, little Christian lie,
A little, little Christian lie
Debating if it's time
to drop the bomb on you, my dear
A little, little Christian lie,
A little, little Christian lie
Let's get down to brass tacks and start it
A carrot rope, feed my thrill,
I got beat by weather
A carrot rope, feed my thrill,
I got beat by weather
Carrot rope, feed my thrill
It's time to get me off of the grounds
The wicket keeper is down,
The wicket keeper is down
And he gets me off of the grounds
