Darlin' don't you go and cut your hair

Do you think it's gonna make him change?

"i'm just a boy with a new haircut"

And that's a pretty nice haircut

Charge it like a puzzle, hit me wearin' muzzles

Hesitate to die, look around, around, the second
drummer's drowned

His telephone is found
Music scene is crazy, bands start up each and every
day

I saw another one just the other day

A special new band

I remember lying

I don't remember a line
I don't remember a word

But I don't care, I care, I really don't care

Did you see the drummer's hair?
Advertising looks and chops a must

No big hair!!

Songs mean a lot

When songs are bought

And so are you-

Bitch, rant down to the practice room

Attention and fame so

Career, career, career....
