"I Love Perth"

Everyone is carrying on in this house
Afraid to live there
I can't even watch
The things you do and the people you know.

A groovy scene in Australia,
I will move
Take my surfboard
Maybe I'll groove
Noise addicts and other folks, oh yeah!

Our hearts were blanketed with it all,
And then I took off the blanket and saw
The pretty shawl you bought for me

You're gorgeous
I'm pretty handsome too
We make a pair,
Me and you
Me and you forever...on and on and on and on
Me and you forever on and on.
