Lip balm on watery clay,  
relationships hey hey hey  
you kiss like a rock  
but you know i need it anyway  
angle for the ringside seats  
when they fall  
dont blame me

Bring on the Major Leagues  
Bring on the Major Leagues  
Bring on the Major Leagues  
Bring on the Major Leagues

How you gonna teach him to walk  
when he can't even finish the  
he can't even finish the songs of the law  
are they civilized or satanist?  
Cater to my walls and see if they fall  
dont leave me

Bring on the Major Leagues  
Bring on the Major Leagues  
Bring on the Major Leagues  
Bring on the Major Leagues  
They wear you down sometimes  
kids like wine,  
magic christians chew the rind  
Cause bad girls are always bad girls  
lets let'em in.  
Darling we're up against it  
and there is no time for  
tie-ins tie-ins tie-ins go!

Bring on the Major Leagues  
Bring on the Major Leagues  
Bring on the Major Leagues  
Bring on the Major Leagues

They'll wear you down sometime  
kiss the wine,  
magic christians chew the rind  
Cause bad girls are always bad girls

let'em in.
