Roll With The Wind

Many are the men who get lost around the bend  
Solitary rejects with a need to spawn  
Well the hell you are a-raisin'  
The skirts you are a-chasin'  
Gonna send the letter bomb back to you

Roll!  
Roll with the wind!  
Roll!  
Roll with the wind!

\_\_\_\_\_? \_\_\_\_\_ theres always equation  
For what you are made up of  
what you're gonna be

Wise, you are a shaman and rich  
a Boston prominent,  
poor, you're just so common  
and that's all there is

Roll!  
Roll with the wind!  
Roll!  
Roll with the wind!

Clarity was lost in the guts of the Xerox machine  
Say what you need  
Say what you mean  
Don't keep me guessing  
Playing to packed houses  
and quiet as church mouses  
And building up a circus tent with black ???  
Well I get high on action  
Heavy tooth compaction  
Building up a root canal entre vous

Roll!  
Roll with the wind!  
Roll!  
Roll with the wind!

Charity's new members lost it  
so save the receipt  
Save the receipt  
Save the receipt  
Save the receipts  
Don't keep me guessing

You gotta roll!  
Roll with the wind!  
Roll with the wind!

You gotta roll!  
Roll with the wind!  
Roll with the wind!
