Frequently called numbers
Snorin' when you slumber
Everyone knows you do
Why won't you admit it?

Screw you
And take it all

Force fed integration
From the corporation
I don't need this
Corporation attitude

I believe
I will never leave
Your serpentine pad
Darling, when you wake up
Better ask the grown ups
If they have posed 'em twice
Leave them and then lead other lives

Think it might be another thing
That I would want to know but
I don't know if I should, if I could
And if I would anyway [Incomprehensible]

I believe
I will never leave
Your serpentine pad
