Got struck by the first volley
Of the War
In your core
Never help myself
Send 'em a wire my best
This ammunition never rests
No one serves coffe
No one wakes up

Stop breathin'
Stop breathin'
Breathin' for me now

Write it on a postcard
Dad they broke me
Dad they broke me

Stop breathin'
Stop breathin'
Breathin' for me now

Write it on a postcard
Dad they broke me
Dad they broke me

I can the lines, open shutters
And the leaves flock
Don a grid
That's what they made my hero say
Nothin' gets me off so completely
But when you put it down
Ten feet down in the ground
Call it response, negative home

Stop breathin'
Stop breathin'
Breathin' for me now

Write it on a postcard
Dad they broke me
Dad they broke me

Stop breathin'
Stop breathin'
Breathin' for me now

Write it on a postcard
Dad they broke me
Dad they broke me
