Don't be a toy on the back of a magazine
Don't, don't be a toy on the back of a magazine
There's a caricature no one reads

I know you've got a lot of special things to do with me
I'm through, I know, it's alright
Sing along, sing along, sing along

Practice everything you preach, you nun
I got none today, expecting none tomorrow
And tomorrow, after that release the strings of
Nashville

And watch the songs expire and silence is danger
But it's not required here, so why you scared?

I know, you got a lot of special things to do with me
I'm through, I know, it's alright
Sing a song, get you through the night, get you
through the night
