lies and betrayals, fruit-covered nails  
electricity and lust won't break the door  
I've got a heavy coat  
it's filled with rocks and sand  
and if I lose you  
I'll be coming back today  
(I got a message for you)  
I'll be coming back today  
(I keep it in my hand)  
you know I'm coming back one day

and I'll be coming back today

you know I'm coming back today  
(I keep it in my hand)  
and you will look at me and say

truth I made for you because it's just as good  
and if I spit it out  
before I chew the ring  
I'll rearrange it  
till it looks just right today  
(I got a message for you)  
and I'll be coming back my way  
(I keep it in my hand)  
and you will look at me and say  
(I've got a sister or two)  
that you just wish I went away today  
owhoo sha-la-la-la-la ...
