I wanna do, something tonight
Feel like it's something new I wanna try
Just let me know if I can show you
If we mess around and go there tonight
You never wanna come back from
A place where everything goes...

Bridge:

Let's touch, let's fuck
Let's touch, let's fuck
Let's touch, let's fuck
Let's touch, let's fuck

Chorus:

Something got me feeling like a bitch, and here I'm
feeling like
I need for you to... , homie show me what you got
You hold your back with me on top
Got you screaming, screaming whenever I do the...
love!

If you want to get nasty, I'mma get you real hot,

Lose those jeans and get of that top!
Baby, just come with me now!
I'll be loving you all night to the last drop!
We're having a nice time, shut the club down
I'm ready to fuck now, so let's make it happen!

Bridge:

Let's touch, let's fuck
Let's touch, let's fuck
Let's touch, let's fuck
Let's touch, let's fuck

Chorus:

Something got me feeling like a bitch, and here I'm
feeling like
I need for you to... , homie show me what you got
You hold your back with me on top
Got you screaming, screaming whenever I do the...
love!
