Have you noticed that all of our nights are late nights?  
They happen to be my favorite.

Let's see how long we can stay awake.  
These hours are ours to take.  
So, let's take them home.

We'll drive just to drive,  
it doesn't matter where we go. It doesn't matter...  
Then back to your house, to crash on your couch.

These hours are our hours to take.  
These hours are ours.

All of our nights are late nights.  
Let's see how long we can stay awake.  
We can do anything, these hours are ours to take.
