Visit "[END OF THE WORLD](#)" on MotoLyrics.com

It's the end of the world
you know it
It's coming fast
It's the end of the world
you know it
It's coming at last

If I offended you
It's just that I see the light
never wanted to hurt you baby
never wanted to fight

hear the children crying
I tell you they don't need that
another time of confusion baby
when we both get into
our deadly kiss

(chorus)...It's the end of the world
but not the end of the world
if you left me
if you left me

pardon me if I ask you
why you wear that mask
of a sweet little angel
you're the devil in that
mask, mask, mask

(chorus) Repeat First Verse

love's just an illusion
you know I'll never miss
another time of confusion baby
when we both get into
our deadly kiss
(chorus)
