take a ride on my motorcycle
don't you worry 'cause
I'll be beside you
feel the wind just
blowing in your hair
take a ride on my motorcycle
take a chance and see the star light
fire in the sky
feel the power of my love for you
I hope you never say good-bye

(chorus)... fly
like an angel
when you spread your wings
I can feel it baby
fly
as we ride on through the night
It'll be alright, just feel the wind

feel the wind just
blowing in your hair
magic love will fill the air

I waited so long
to see your face again
I know I did you wrong
I never ever found the time
to spend with you
but now I'll carry on

(chorus)
take a ride on my motorcycle
take a ride on my motorcycle
(chorus)
feel the wind just
blowing in your hair
magic love will fill the air

take a ride on my motorcycle
take a ride on my motorcycle, cycle..
