miles)  
welcome to their punk scene  
and it's mohawk over mind  
your clothes and your connections  
are how you're rated and defined  
where status becomes a license to  
behave like a clique  
your punk rawk fraternities  
can all just suck my (dick/clit)

riding their bikes (all over town)  
throwing their bricks (to keep us down)  
forming their cliques (to shut us out)  
they wonder why (we scream and shout)

majority may overrule  
but that doesn't make it right  
say what you want to me  
i won't give up the fight  
you claim that i'm jealous  
at least i have the balls to mock  
some rebellious looking clones  
and the west philly kings of punk rawk

chorus

(pretty self-explanatory.... for the millionth time, this is  
not about one person in particular.
