Chorus)...living in a fantasy
Thinking she will be with me
Standing out there in the rain
People tell me Im insane

But I need her
I need her oh so bad
When she's gone and
Im feeling oh so sad tonight
Another day maybe I'll be alright
If she comes to me
I know I'll live my fantasy
Tawny don't walk away

(chorus)

And I watch her as she
Dances in the night
Like an angel haunting me
And I can't go on
I need her oh so bad
Everytime I see her
Only if she comes to me
I know I'll live my fantasy
Tawny don't walk away

But I need her
I need her oh so bad
When she's gone
And Im feeling oh so sad

Repeat second Verse

Don't walk away,
Don't walk away, oh yeah,
Don't walk away, oh yeah,
Tawny don't you walk away
Don't walk away, don't walk away
Tawny don't walk away..
