

58. Eurovision Song Contest in Malmö "Rhythm Of Love"

Visit "[Rhythm Of Love](#)" on MotoLyrics.com

The music's starting
A chemical reaction
It's got me moving
Going in a new direction
When we are dancing
I'm feeling elevation
So take my hand and spin me
'round, 'round, 'round, 'round

I'm so hypnotized
Your beautiful eyes
I read in my mind
Pray in my feelings
Now you can see
Something in me
I'm ready for you
I'm catching your waaaaaaaave

Rhythm of love
Sweating me slow
I feel just like a child
You're smiling through my soul
Let yourself go
Feel this sound
We are dancing to the rhythm of love

Uh-oh, uh-oh, oh
Now our hearts are beating to the rhythm of love
Uh-oh, uh-oh, oh
Now our hearts are beating to the rhythm of love

Get moving like wine
Now we become
Now we are bound
Part of each other

This is the dance
Let us confess
The secret that's burning
Inside of our our chest

Rhythm of love
Sweating me slow
I feel just like a child
You're smiling through my soul

Let yourself go
Feeling this sound
We are dancing to the rhythm of love

Uh-oh, uh-oh, oh
Now our hearts are beating to the rhythm of love
Uh-oh, uh-oh, oh
Now our hearts are beating to the rhythm of love

You've got me going
And I'm feeling so hot
Because it makes me want to
Show what I've got

Give me a kiss
I know your lips are so sweet
So sweet, so sweet, so sweet

Rhythm of love
Sweating me slow
I feel just like a child
You're smiling through my soul
Let yourself go
Feeling this sound
We are dancing to the rhythm of love

Uh-oh, Uh-oh, oh
Now our hearts are beating to the rhythm of love
Uh-oh, Uh-oh, oh
Now our hearts are beating to the rhythm of love
Rhythm of love
