What if I could change the path of time?
What if I had a power to decide?
What if I could make us unified?
If I, if I...

What if we would open up the doors?
What if we could help each other more?
What if I could make you all believe?
If we, if we...

What if we all opened our eyes?
What if we came together as one?
What if we aimed to stop the alarms?
What if we chose to bury our guns?

Why don't we always reach out to those
Who need us the most?

Together we can change the path of time
Together we have power to decide
The answer lies within our hearts and minds
Together, together

Together we can make a better place
On this little island out of space
Together we can change the world forever

What if we all opened our eyes?
What if we came together as one?
What if we aimed to stop the alarms?
What if we chose to bury our guns?

Let's unite and make a change
Let's unite around a new page
Come on sinners, come on saints
Have faith

Why don't we always reach out to those...

What if we all opened our eyes?
What if we came together as one?
What if we aimed to stop the alarms?
What if we chose to bury our guns?

What if we all opened our eyes?
What if we came together as one?

What if we aimed to stop the alarms?
What if we chose to bury our guns?

Why don't we always reach out to those
Who need us the most?
