I have no hobbies and no education  
Some of the girls call me a jerk  
My only goal in life is marriage  
Then I will never have to work

You were always, always such a bore  
But now you won't nag no more  
Silence is golden, you know  
Dead boys don't say no

Hold my hand; let's go for a walk  
Our relation is neat and clean  
I will sleep with you if I have to  
A duty I perform like a machine

Watch TV; eat fast food  
Let us stare at the walls  
Then we spend every weekend  
In the suburban shopping malls

You were always, always such a bore  
But now you won't nag no more  
Silence is golden, you know  
Dead boys don't say no

Wanna be boring and ordinary

Buy us a trailer and a station wagon  
And a dog; that would be nice  
And maybe some sex on your vacation  
I reckon that'll have to suffice

You're a pervert; you're a liar  
Where have you been all night?  
Get your hands off my body and  
Get the hell out of sight

You were always, always such a bore  
But now you won't nag no more  
Silence is golden, you know  
Dead boys don't say no
