See. See kitty come.
See dog. See dog run.
See gun. Boy carries a gun.
Boy laughs. Boy has fun.

See dad. See dad come.
Dad says: give me gun.
Enter mom. She weighs a ton.
Mom says: naughty, naughty son.

This society made him this way
Steroids got him well underway
Always looking for the key to success
A sociopath, nevertheless

Boy mad. Boy likes gun.

Shoots dad. Shoots dad with gun.
See dad. See hole in dad.
Dad bleeds. Says: boy is bad.

See mom. See mom run.
Boy laughs. Playing is fun.
See boy shoot mom in the back.
Boy is a homicidal maniac.

This society made him this way
Steroids got him carried away
Always looking for the key to success
A sociopath, nevertheless
