All the things that I hate
Like my work and the state
Say obey and repent
Watch TV and be content

Umerto Bossi - Italy
Franz Schäferhuber - Germany
Jörg Haider - Austria
And the shithead Le Pen

All the things that I hate
Neo-nazi Jugend parties
More than I can tolerate
European far-right parties

All the things that I hate
Like my work and the state
Say obey and repent
Watch TV and be content

They are erasing my mind
And distorting the signs

Of a disaster to come
If nothing is done

All the things that I hate
Like my work and the state
Say obey and repent
Watch TV and be content

It's between you and I
The choice is do or die
Hang them high, let them fry
Or even better crucify

No more endless debates
Time to retaliate
Gonna get me a gun
And get the job done

It's between you and I

The choice is do or die
Hang them high, let them fry
Or even better crucify
