Get up, get up, get up with the gratitude  
Get up, get up, get up with the gratitude  
Get up, get up, get up with the gratitude  
Get up, get up, get up like this

So what the heck do you think that you can talk to me  
As a matter of fact this band that we have means more  
to me  
That I can understand, it's sorta like Jello the longer we  
hang  
We edify till the end, till that thing knockin', lovin'  
[Incomprehensible] one of many things that I'm  
thankful for

Ohh, ohh, I sing a simple song for you  
(Gotta, gotta, get it, get it, get it gratitude)  
A song of gratitude  
(Gotta, gotta, get it, get it, get it gratitude)  
(Gotta, gotta, get it, get it, get it gratitude)  
(Gotta, gotta, get it, get it, get it gratitude)

If you think that luck had started it all  
Think again my friend, it's the God without an end  
He hyped and saved my dirty dingee soul  
The he gave me the microphone and inside to show

Now bring it on, Mr.Pigeon John  
And tell the people how you get your gratitude on  
Wait, wait don't shoot, look at me real cute  
Gotta switch my attitude to gratitude

And thank the Lord for my friends and my crew  
All the ups and the downs in this big life stew  
It gets kind of confusing sometimes  
But we gotta let it slide and let the sun shine

Ohh, ohh, I sing a simple song for you  
(Gotta, gotta, get it, get it, get it gratitude)  
A song of gratitude  
(Gotta, gotta, get it, get it, get it gratitude)  
(Gotta, gotta, get it, get it, get it gratitude)  
(Gotta, gotta, get it, get it, get it gratitude)

Oh, oh, I sing a simple song for you

Okay, you made the beds and washed our socks  
Pops, you put the bacon on the table  
Ya gave me a name I live with it proud

And jump in the crowd and let it shine and what's mine  
is a gift  
Ya know we come to lift heads and emotions  
To serve one master with devotion

Get up, get up, get up with the gratitude  
Get up, get up, get up with the gratitude  
Get up, get up, get up with the gratitude  
Get up, get up, get up like this

Gotta, gotta, get it, get it, get it gratitude  
Gotta, gotta, get it, get it, get it gratitude  
Gotta, gotta, get it, get it, get it gratitude  
Gotta, gotta, get it, get it, get it gratitude

Ohh, ohh, I sing a simple song for you  
(Gotta, gotta, get it, get it, get it gratitude)  
A song of gratitude  
(Gotta, gotta, get it, get it, get it gratitude)  
(Gotta, gotta, get it, get it, get it gratitude)  
(Gotta, gotta, get it, get it, get it gratitude)

Ohh, ohh, I sing a simple song for you  
(Gotta, gotta, get it, get it, get it gratitude)  
A song of gratitude  
(Gotta, gotta, get it, get it, get it gratitude)  
(Gotta, gotta, get it, get it, get it gratitude)  
(Gotta, gotta, get it, get it, get it gratitude)
