It's amazing in all of this
(Amazing)
That You could find me in all of my mess
(You could fine me)
I don't get it and I don't deserve You
'Cause You're amazing and I am a fool
(You're amazing)

Show me You in everything
Show me You in everything

I'll see You, see You
When the storm fades away
And I'll see You, see You
When the skies open up
And I know
(Know)
Know that You love me
(Know)
And I know
Know that You love me

It's amazing what Your love brings
(Amazing)
It surrounds me like the air that I breathe
(It surrounds me)
I still don't get it what You've given to me
(Still don't get it)
Your love unending it's all that I need

Show me You in everything
Show me You in everything

I'll see You, see You
When the storm fades away
And I'll see You, see You
When the skies open up
And I know
(Know)
Know that You love me
(Know)
And I know

Know that You love me

And I'll, and I'll see You, see You
When the storm fades away
And I'll see You, see You
When the skies open up
And I know
(Know)
Know that You love me
(Know)
And I know
Know that You love me

Well understanding You is somethin' that will never
happen
I can't comprehend an inch of what you mend
Eternally inside me grace so sufficiently
That I am amazed at the fact that I exist

Can't explain the way of how I'll make it through this
But like a psalmist I'm asking You to calm this storm
That continues to persist and make me a mess
In all my stress I repent for my lack of content
Show me You

Show me You
(In everything)
Show me You
(In everything)
Show me You
(In everything)
Show me You, oh

I'll see You, see You
You're amazing
I'll see You, see You
You're amazing

I'll see you
When the storm fades away
And I'll see You, see You
When the skies open up
And I know
(Know)
Know that You love me
(Know)
And I know
Know that you love me

And I know
Know that you love me

And I know
(I see You)
Know that you love me
(I see You)
(I see You)
(I see You)
