No, I got something that you all could get
In life its been given
Called the Prizm show its colors

And on the 17th day of the 2nd month
Come on, come on people let the flood gates open
Come on people, open

Precipitation formed
Colors of freedom the gift a Prizm, Prizm
Precipitation formed
Colors of freedom the gift a Prizm

Red orange yellow, blue, green and indigo
Is the flag of freedom, remind me of a sin to go
Away, away the promise remains
The same yesterday as it is today

Fall of man and the fall of rain came
Down from the Heavens to cleanse you and I
Come on, come on people let the flood gates open
Come on people, open

Precipitation formed
Colors of freedom the gift a Prizm, Prizm
Precipitation formed
Colors of freedom the gift a Prizm

The rains came down, the floods went up
The rains came down, the floods went up
The rains came down, the floods went up

Open the flood gates and let the people in
Open the flood gates and let the people in
Open the flood gates and let the people in

Prizm

Precipitation formed
Colors of freedom the gift a Prizm, Prizm
Precipitation formed
Colors of freedom the gift a Prizm, Prizm

Precipitation is formed
Colors of freedom the gift a Prizm, Prizm
Colors of freedom the gift a Prizm, Prizm

Open the flood gates and let the people in
Open the flood gates and let the people in
Open the flood gates and let the people in
