I don't know if what I feel is real
Is it me or you just want my body
I don't know what to Expect my body
You never do what a real man do
Now I guess you know you really got it wrong
Can't you see I'm not ... song
I don't need in my life Right now I don't you
You don't deserve somebody like me.

Chorus:

I don't know what I'm supposed to think, baby
You don't let it show you are so .. to me honey
You always say you cannot live without me
And then you could believe..forget about me
I let you go, you're not the one for me darling.

Is your name...to never true
'cause what I feel what they say about you
...emotions like you do
Master of the .. is time you felt to
I don't even try to say your last goodbye
Left your ...I'm never coming back
this time I'm gone for good but before I leave...

[Chorus:]

Why would I change my mind if you are still the same
...you could have thought about it before you did your
dirt
... I'm feeling so hurt
Gotta move on my own..time to let it go.

[Chorus:]

I don't know what I'm supposed to think, baby

Thanks to garbo
