I used to laugh at all those songs 'bout the rambling  
life

The nights so long and lonely, but I ain't laughin' now  
Now that I'm caught up, it seems in all the same  
ambitious dreams

That only lonely life allows

And the home I don't go home to, the friends I don't  
see

Aren't the part of this life that endears it to me  
If that's the price I have to pay by doing things my own  
way

Then it's what I'll have to do somehow

Till I find my way back to my heart

For there's no one but me gonna take my part

It's too early to say that it's over or to find we can make  
a new start

It's too early to say, till I find my way back to my heart

I thought at least we'd meet again since we have been  
the best of friends

And lovers to each other

Meet again and speak our minds force no issues

Turn no blind eye toward the road that lies ahead

But it seems that I missed you by a coast and a song

When time gets so short so what turns to so long

I cannot keep your love inside it's a flame I cannot hide  
forever

In the name of hanging on

Till I find my way back to my heart

For there's no one but me gonna take my part

It's too early to say that it's over or to find we can make  
a new start

It's too early to say, till I find my way back to my heart

I used to laugh at all those songs 'bout the rambling  
life

The nights so long and lonely
