I'm soarin' the sky  
I can hear the birds, and man, they don't lie  
How you gonna catch me  
When I'm this high?  
I'm movin' on.  
I've got the words to a brand new song  
How you gonna catch me  
When I'm this gone?  
Chorus:  
Gone tomorrow, here today  
And just in case you got something to say  
I'll be leaving with the rest  
Goodbye is all we have.  
I disconnected the phone  
Told the neighbors I'll be heading home  
As soon as the light hits the morn.  
I'm heading north  
Gonna see what this heart's really worth  
I guess it's time to be on my own.  
Chorus:  
Gone tomorrow, here today  
And just in case you got something to say  
I'll be leaving with the rest  
Goodbye is all we have.  
Sure would love to see you tonight  
Maybe try to end this fight  
I don't hear you knockin' on my door  
Then our love is sure.  
Gone tomorrow, here today  
And just in case you got something to say  
I'll be leaving with the rest  
Goodbye is all.  
Gone tomorrow, here today.  
I'll be leaving with the rest  
Goodbye is all we have...
